- (a) "The Woodlands Property" shall mean and refer to The Original Real Estate and all Additional Real Estate (all as herein defined);
- (b) "Common Properties" shall mean or refer to all areas of land and water shown on any recorded subdivision plat of the Original Real Estate which are not Lots, whether such plat is heretofore or hereafter recorded. Provided, However, that: (i) no portion of the Real Estate shown on the plat of The Woodlands, Section Three when such plat is recorded, shall be included within the definition of "Common Properties" for purposes of this Declaration although the same may be designated "Common Properties" on such plat; (ii) Block A shown upon the plat of The Woodlands, Section One, or any part thereof, shall only be considered Common Property when designated as Common Property in a separate instrument executed by Declarant, and recorded in the office of the Recorder of Hamilton County, Indiana, Declarant hereby retaining and reserving the right to designate less than all of Block A as Common Property and to use any part of Block A for single family residential sites; and (iii) the lake shown upon the plat of "The Woodlands, Section One" (which plat is recorded in Plat Book 4, pages 76 and 77 in the office of the Recorder of Hamilton County, Indiana) as "Existing Lake" (hereinafter called "the Existing Lake") and the dam (hereinafter called "the Dam") shown upon such plat as lying between the Existing Lake and the lake designated

as "Proposed Lake" on such plat have been conveyed by Declarant to Woodland Springs, Inc., an Indiana Not-For-Profit Corporation, and shall not for any purposes whatsoever be deemed to be Common Properties. Neither any Owner nor the corporation provided in Article VI hereof to be formed shall have any rights in the Existing Lake or the Dam, or any obligations as are provided in the instrument entitled "Underlying Agreement" recorded September 26, 1972 in Misc. Record 135, Instr. # 8416, in the office of the Recorder of Hamilton County, Indiana, and the instrument entitled "Supplementary Declaration of Covenants and Restrictions" recorded September 26, 1972 in Misc. Record 135, Instr. # 8417, in the office of the Recorder of Hamilton County, Indiana, to which instruments all of the Original Real Estate and Additional Real Estate are subject, to the extent provided in such instruments. - (c) "Lot" shall mean and refer to any numbered parcel of land shown upon any recorded subdivision plat of the Original Real Estate or Additional Real Estate, or any part of either, whether such plat has heretofore been or is hereafter recorded, but shall not include the Common Properties, except that any part of Block A which is hereafter designated for use as a residential building site, in an instrument executed by Declarant or any other owner in fee simple thereof and recorded in the office of the Recorder of Hamilton County, Indiana, shall for all purposes of this Declaration be considered a Lot;

- (e) "Owner" shall mean and refer to the record owner, whether one or more persons or entities, of the fee simple title to any Lot, but in any event shall not include a mortgagee or tenant unless and until such mortgagee or tenant has acquired title to any portion of the properties;

- (g) "Additional Real Estate" shall mean such real estate as is added to The Woodlands Property by the filing of a Designation in accordance with the terms of Article III, Section 1 hereof;
- (h) "Supplemental Real Estate" shall mean all real estate the Owners of which are extended privileges in accordance with Article III, Section 2 hereof;

- (i) "Other Signatories" shall mean and refer to all persons, firms, partnerships and corporations other than Declarant who execute this Declaration and who at the time of execution own Lots in the Original Real Estate.

## ARTICLE II

### Common Properties and Rights Therein

Section 1. Easement to Owner. Declarant hereby grants an easement in favor of each Owner for the use, enjoyment and benefit of the Common Properties, subject to the terms and provisions of this Declaration, and such easement shall be an easement running with and appurtenant to each Lot.

## ARTICLE III

### Additional Real Estate and Supplemental Real Estate.

Section 1. Additional Real Estate. Declarant shall have the right to add real estate to The Woodlands Property at any time or from time to time hereafter, so long as the real estate to be added lies within the real estate described in Exhibit "C" attached hereto, whether or not Declarant now owns such real estate. Such real estate shall be deemed Additional Real Estate, and therefore part of The Woodlands Property, for all purposes hereunder when Declarant places of record in Hamilton County, Indiana, an instrument entitled "Designation of Additional Real Estate", which recites therein that the real estate described therein is to be deemed "Additional Real Estate" as defined in this Declaration. Upon the recording of such instrument, the real estate described therein shall for all purposes thereafter be deemed to be "Additional Real Estate" and the Owners of any Lots within such Additional Real Estate shall be deemed for all purposes to have all the rights, duties, privileges and obligations of Owners of Lots within the Original

Real Estate, as herein provided, without regard to whether the Common Properties have been conveyed by Declarant to the Corporation (as hereinafter defined) in accordance with the terms hereof and without regard to the record ownership of the Common Properties at such time.

Section 2. Supplemental Real Estate. Declarant shall have the right, at any time or from time to time hereafter, to designate as "Supplemental Real Estate" any real estate lying within the real estate described in Exhibit "D" attached hereto. Any such real estate shall be deemed Supplemental Real Estate for all purposes hereunder when Declarant has placed of record in Hamilton County, Indiana an instrument entitled "Designation of Supplemental Real Estate" designating the real estate described therein as Supplemental Real Estate. Upon the placing of such instrument of record, each Owner of any parcel of real estate within the Supplemental Real Estate shall thereafter, except as otherwise herein provided, have the absolute right, in common with and to the same extent as Owners of Lots within the Original Real Estate and the Additional Real Estate, to the use, enjoyment and benefit of the Common Properties. However, and notwithstanding the foregoing, each Owner of Supplemental Real Estate shall be entitled to use and enjoy such Common Properties only upon the payment of an initial fee of \$100.00 and, in addition, the payment of a fee each year equal to such assessments as Owners are required to pay in such year, and shall

have no obligation to pay any such fee except as a condition precedent to the use and enjoyment of the Common Properties. The failure to pay such fee shall not be in any manner construed to be a lien or charge against the Supplemental Real Estate.

#### ARTICLE IV

##### Obligations of Declarant as to Common Properties

###### Section 1. Agreement to Construct and Maintain.

Declarant has constructed or will construct a lake, a swimming pool and a club house upon the Common Properties, of such size and nature and at such locations as Declarant deems proper, and so long but only so long as Declarant owns the fee simple title of the Common Properties upon which the same are located, Declarant shall pay taxes and provide insurance in amounts and types satisfactory to Declarant, cut and maintain all grass, and be responsible for repair, replacement and additions thereto and for the cost of labor, equipment, materials, management and supervision for the Common Properties.

#### ARTICLE V

##### Regulation of Common Properties By Declarant

Section 1. Assessments. The Declarant, for all of The Woodlands Property and each Lot therein contained, hereby covenants and agrees, and each Owner of any Lot within the Original Real Estate or the Additional Real Estate, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, shall be deemed to covenant and agree to pay to Declarant an assessment in the annual sum of \$75.00 payable on the first day of March of each calendar year hereafter, with any Owner who acquires title by deed from Declarant between such date in one

year and the next being obligated to pay to Declarant a total sum arrived at by multiplying \$6.25 by the number of months from and including the month in which such Owner acquires title to and including the following month of February. The first payment of such assessment shall become due and payable at the time of execution and delivery of a deed to such Lot to such Owner. Amounts paid as assessments pursuant to this Section 1 of this Article V, shall be and remain the absolute property of Declarant, notwithstanding the later conveyance by Declarant of the Common Properties.

Section 2. Rules and Regulations. Declarant shall, so long as it is the Owner of the Common Properties, have the right to create such rules and regulations as it deems appropriate for the use and enjoyment of the Common Properties.

Section 3. Lien. If any such assessment is not paid within thirty (30) days after the due date, as hereinabove provided, then the unpaid assessment shall become delinquent and shall become, together with interest thereon and costs of collection thereof, as hereinafter provided, a continuing lien on the Lot of the Owner who has failed to make such payment, binding upon the Owner, his heirs, administrators and assigns. If any assessment is thus delinquent, it shall bear interest from the due date at the rate of seven percent (7%) per annum, and Declarant may bring an action at law against the Owner of such Lot to collect the same or foreclose the lien against the Lot, or both, and there shall be added to the amount of such assessment all attorney fees and other costs of collection. Such assessment shall be paid without relief from valuation or appraisal laws. If any Owner fails to pay any such assessment

within thirty (30) days after the due date, all rights to use and enjoy the Common Properties shall be suspended until all amounts then delinquent have been paid in full.

Section 4. Subordination of the Lien to Mortgages.

The lien of any assessment provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the Lots subject to assessment; PROVIDED, HOWEVER, that such subordination shall apply only to the assessments which have become due and payable prior to the sale of such property pursuant to a decree of foreclosure of any such mortgage. Such sale shall not relieve such property from liability for any assessments thereafter becoming due nor from the lien of any subsequent assessment.

Section 5. "Junior Lien" Provision. If any premises

subject to the lien hereof shall become subject to the lien of a mortgage, (a) the foreclosure of the lien hereof shall not operate to affect or impair the lien of the mortgage; and (b) the foreclosure of the lien of the mortgage or the acceptance of a deed in lieu of foreclosure by the mortgagee shall not operate to affect or impair the lien hereof, except that the lien hereof for said charges as shall have accrued up to the foreclosure or the acceptance of a deed in lieu of foreclosure shall be subordinate to the lien of the mortgage; and the foreclosure or deed in lieu grantee shall take title free of the lien hereof for all such charges that have accrued up to the time of the foreclosure or deed given in lieu of foreclosure.

Conveyance of Common Properties

Section 1. When Conveyance May Occur. At any time or from time to time hereafter that Declarant deems appropriate, Declarant may convey the Common Properties or any part thereof to a Not-For-Profit Corporation hereafter to be formed under the Indiana Not-For-Profit Corporation Act (hereinafter called "The Corporation"). Upon such conveyance, all obligations of Declarant with respect to the Common Properties or the portion thereof thus conveyed shall cease and terminate, and thereafter The Corporation shall have the rights and duties provided in this Declaration with respect to the Common Properties or portions thereof thus conveyed and the provisions set forth hereinafter in this Declaration shall be applicable to The Corporation, the Common Properties or the portions thereof thus conveyed, and The Woodlands Property. Any liens in favor of Declarant upon any Lots for assessments theretofore due hereunder shall survive such conveyance.

Declarant prior to making such conveyance shall cause The Corporation to be formed with Articles of Incorporation and By-Laws which contain such terms and provisions as are deemed appropriate by Declarant but shall not be in conflict with any terms and conditions with respect to The Corporation hereinafter set forth.

Such conveyance shall be made by quitclaim deed, subject to no exceptions except the lien of current taxes and all easements, highways, rights-of-way, agreements, covenants, conditions, restrictions and other matters of record as of the time of conveyance, including all matters which Declarant has caused to be placed of record and all matters provided for in this Declaration, and concurrently with such conveyance Corporation shall be deemed

to have assumed and agreed to pay, upon demand, to Declarant, an amount equal to all unpaid assessments then owed to Declarant, and upon payment by Corporation to Declarant of any assessment, Corporation shall be subrogated to Declarant's rights with regard to such assessment and the lien thereof.

Section 2. Membership in Corporation. Declarant and every Owner shall be members of the Corporation, and every person who owns any parcel of real estate lying within any Supplemental Real Estate shall be entitled to be a member as provided below.

(a) Voting Rights. The Corporation shall have three classes of membership, with the following rights:

(i) Class A. Class A members shall be all Owners except Class B members and Class C members. Each Class A member shall be entitled to one (1) vote for each Lot of which such member is the Owner with respect to each matter submitted to a vote of members;

(ii) Class B. Class B members shall be Declarant and all successors and assigns of Declarant designated by Declarant as Class B members in a written notice mailed or delivered to the resident agent of the Corporation at the principal office of the Corporation. Each Class B member shall be entitled to four (4) votes for each Lot of which it is the Owner and four (4) votes for each one-half (1/2) acre or part thereof of the Original Real Estate and the Additional Real Estate of which it is the Owner which is not within the area included within a recorded subdivision plat, on all matters requiring a vote of members of The Corporation;

(iii) Class C. Class C members shall be all persons who are owners of parcels of real estate lying within the Supplemental Real Estate who have paid the initial fee of \$100. to either Declarant or Corporation, but not both, and the annual fee for the then current year provided for in Section 2 of Article III hereof. Class C members shall have no vote upon any matter except as hereinafter specifically provided.

Article III hereof, and this Section 2 of this Article IV may only be amended by the affirmative vote of two-thirds (2/3) of the Class A members, two-thirds (2/3) of the Class B members, and two-thirds (2/3) of all record owners of real estate lying within the Supplemental Real Estate (whether or not such record owners are Class C members).

Section 3. Creation of Lien. The Declarant, for each Lot owned by it, and each Other Signatory, for each Lot owned by such Other Signatory, within the Original Real Estate and the Additional Real Estate and for their respective heirs, administrators, executors, successors and assigns, hereby covenants and agrees, and each Owner of any Lot by acceptance of a deed therefor, whether or not so expressed in such deed, shall be deemed to covenant and agree, to pay to The Corporation:

- (a) Annual assessments or charges, and
- (b) Special assessments for capital improvements, such assessments to be established and collected as hereinafter provided.

The annual and special assessments with respect to each Lot, together with interest, costs and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. Notwithstanding the foregoing, no assessment shall be owed or payable by Declarant with respect to any Lot or other real estate owned by Declarant while the same is owned by Declarant, nor shall any assessment become a lien on any such Lot or other real estate.

Section 4. Purpose of Assessments. The assessments levied by The Corporation shall be used exclusively to promote the recreation, health, safety and welfare of the residents of The Woodlands Property and for the improvement and maintenance of the Common Properties. This shall include but not be limited to the payment of taxes and insurance for the Common Properties, grass cutting, repair, replacement and improvements of the

Common Properties, and for such other matters as are deemed proper by the Board of Directors of The Corporation.

Section 5. Maximum Annual Assessments. From the date of conveyance of any of the Common Properties to The Corporation, until the next March 1, the annual assessment shall be Seventy Five Dollars (\$75.00) upon each Lot owned by someone other than Declarant prorated for a partial year.

(a) On or after March 1 of the year immediately following such conveyance, the annual assessment may be increased each year by the Board of Directors of The Corporation not more than five percent (5%) above the annual assessment for the previous year without a vote of the membership;

(b) On or after March 1 of the year immediately following the year of such conveyance, the annual assessment may be increased above five percent (5%) by the affirmative vote of two-thirds (2/3) of the members of each class of members entitled to vote who are in attendance in person or by proxy at a meeting called for this purpose.

Section 6. Special Assessment for Capital Improvements.

In addition to the annual assessments authorized above, the Corporation may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Properties, including fixtures and personal property related thereto, PROVIDED THAT any such assessment shall have the assent of two-thirds (2/3) of the votes of the members of each class of members entitled to

vote who are in attendance in person or by proxy at a meeting duly called for this purpose.

Section 7. Notice and Quorum for Any Action Authorized Under Sections 5 and 6. Written notice of any meeting called for the purpose of taking any action authorized under Section 5 or Section 6 of this Article VI shall be sent to all members not less than ten (10) days nor more than thirty (30) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast fifty percent (50%) of all the votes of each class of membership entitled to vote shall constitute a quorum. If the required quorum is not present, subsequent meetings may be called subject to the same notice requirements, and the required quorum at each subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than thirty (30) days following the preceding meeting.

Section 8. Notice of Assessments; Certificates of Payment. The Board of Directors of the Corporation shall fix the amount of the annual assessment against each Lot other than those owed by Declarant at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject to the payment thereof as herein provided. The due date of such annual assessment may be fixed or changed from time to time by the Board of Directors of The Corporation. The Corporation shall, upon demand, furnish a certificate signed by an officer of The Corporation setting forth whether the assessments on a specified Lot have been paid. Such certificates shall be conclusive evidence of

payment of any assessment therein stated to have been paid. If the same is not furnished within ten (10) days after receipt by an officer of the Corporation of a written request for such certificate by any person, the person (other than an Owner) shall have the right to assume that no assessments are owed, and the lien of such assessment shall terminate upon the person who made such a request purchasing or acquiring a mortgage upon such Lot.

Section 9. Effect of Nonpayment of Assessments;

Remedies of The Corporation. Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum. The Board of Directors of the Corporation shall have the right to suspend the use and enjoyment of the Common Properties of such delinquent member, and The Corporation may bring an action at law against the Owner personally obligated for the payment of the same, or foreclose the lien against the property, and interest, costs and reasonable attorneys' fees for the prosecution of any such action shall be added to the amount of such assessment. Each such Owner, by his acceptance of a deed to a Lot, hereby expressly vests in The Corporation or its agents the right and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of The Corporation in a like manner as a mortgage on real property.

The lien provided for in this section shall be in favor of The Corporation. The Corporation, acting on behalf of all Owners, shall have the power to bid in an interest foreclosed at

foreclosure sale and to acquire and hold, lease, mortgage and convey the same; and to subrogate so much of its right to such liens as may be necessary or expedient to an insurance company continuing to give total coverage notwithstanding nonpayment of such defaulting Owner's portion of the premium. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Properties or abandonment of his Lot.

Section 10. Subordination of the Lien to Mortgages.

The lien of any assessment provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the Lots subject to assessment; PROVIDED, HOWEVER, that such subordination shall apply only to the assessments which have become due and payable prior to the sale of such property pursuant to a decree of foreclosure of any such mortgage. Such sale shall not relieve such property from liability for any assessments thereafter becoming due nor from the lien of any subsequent assessment.

Section 11. "Junior Lien" Provision. If any premises subject to the lien of any assessment shall become subject to the lien of a mortgage, (a) the foreclosure of the lien of such assessment shall not operate to affect or impair the lien of the mortgage; and (b) the foreclosure of the lien of the mortgage or the acceptance of a deed in lieu of foreclosure by the mortgagee shall not operate to affect or impair the lien of such assessment, except that the lien of such assessment for said charges as shall have accrued up to the foreclosure or the acceptance of a deed in lieu of foreclosure shall subordinate to the lien of the mortgage and the foreclosure purchaser or deed in lieu grantee shall take title free of the lien of such assessment for all such charges that have accrued up to the time of the foreclosure or deed given in lieu of foreclosure.

Section 12. Management Agreements. Each Owner hereby agrees to be bound by the terms and conditions of all management agreements entered into by The Corporation.

Section 13. Insurance. The Board of Directors of the Corporation or its duly authorized agent, shall have the authority to and shall obtain insurance for all the Common Properties against loss or damage by fire or other hazards in an amount sufficient to cover the full replacement cost of any repair or reconstruction work in the event of damage or destruction from any hazard, and shall also obtain a broad form public liability policy covering all Common Properties and all damage or injury caused by the negligence of The Corporation or any of its agents. Said insurance may include coverage against vandalism.

#### ARTICLE VII

##### General Provisions

Section 1. Enforcement. The Corporation shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by The Corporation at any time to enforce any provision, covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so at any time or from time to time thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

Section 3. Benefit. The provisions, covenants and restrictions of this Declaration shall run with and bind the Original Real Estate and the Additional Real Estate for a term

commencing on the date this Declaration is recorded and expiring January 1, 1996, after which time they shall be automatically extended for successive periods of ten (10) years each unless terminated at a meeting called for such purpose by the affirmative vote of the majority of Class A members who are in attendance in person or by proxy and entitled to vote.

Section 4. Annexation of Additional Property.

Additional property other than Additional Real Estate may be annexed to the Original Real Estate and thereafter considered Additional Real Estate upon the affirmative vote of two-thirds of the Class A members in attendance at a meeting called for such purpose. Each member entitled to vote at such meeting may vote in person or by proxy.

Section 5. Quorum and Notice. Written notice of a meeting called for any of the purposes set forth in Section 3 or Section 4 of this Article VII shall be sent to all members entitled to vote at such meeting not less than thirty days nor more than sixty days in advance of any such meeting. At any such meeting the presence of members entitled to cast one-half of the votes of each class of members entitled to vote at such meeting, in person or by proxy, shall constitute a quorum. However, if such a quorum is not present at such meeting, subsequent meetings may be called for the same purposes as the original meeting, subject to the notice requirements set forth above and a quorum at each subsequent meeting called for the same purpose as the original meeting shall be one-half of the quorum required at the original meeting.

Section 6. Good Standing. No Class A member shall be entitled to vote at any meeting of the membership of the Corporation unless all fees and assessments required to be paid by such member prior to such time have been paid.
